## CAPDEPERA GOLF

Capdepera Golf was designed by the famous American golf architect Dan Maples. It features a mix of easier holes in the valley where an old almond plantation once stood and more challenging holes that climb into the beautiful hills of the Mallorcan Llevant Mountains.

## PULA GOLF COURSE

Pula Golf has become the scene of very important events like the PGA European Tour Championships Mallorca, Mallorca Skin Games or Olazábal & Nadal Invitational, among others. Bourdy, Hanson, Jiménez, Gonzalo Fernández Castaño, Álvaro Quirós, Olazábal, Darren Clarke, Molinari, Kaymer, Canonica, Sergio García, Rafa Nadal, etc. are some of the great personalities that have played in Pula Golf.

## SON SERVERA GOLF CLUB

The greens are subtly undulating and water is a major feature on six holes. However, there is always a range of shots to play, providing realistic options for both accomplished and lesser players. All parts of the course offer beautiful views of the pine-covered mountains that protect the course from the worst of the winter storms, and many holes offer splendid views of the bay of Cala Millor. At different times of the year, the oleander and bougainvillea in bloom add to the colors and the many hares, ducks and other birds that abound give the feeling that the course is truly a special place.

## ALCANADA GOLF CLUB

The club takes its name from a nearby island just off the shore, which, complete with its lighthouse, can be seen from most holes. Apart from the splendid sea view, players are surrounded by pine and olive groves throughout their round; even though a young course, Alcanada is already recognized by several well-known golf magazines and golf guides as one of the finest courses in Spain and Europe – including being named the best course in Europe by leading German magazine *Golf Journal* for the fourth year in a

row in 2012.
