# Trip Overview

## ABOUT THIS PACKAGE

Set against the backdrop of the beautiful El Yunque rainforest on one side and the Atlantic Ocean on the other, the Hyatt Regency Grand Reserve Puerto Rico is a family-friendly luxury resort. Refreshed by a multi-million dollar renovation that was completed in December 2019, the former site of the Gran Melia Hotel has been transformed into the Hyatt Regency Grand Reserve of Puerto Rico. Guests can enjoy oceanfront suites just steps from the water and some inspiring golf courses nearby. Both courses were designed by Tom Kite; named Championship and International, Coco Beach Golf Resort is home to the Puerto Rico Open, a PGA Tour event (February 20-23, 2020).

Stay in one of the 579 spacious suites with a balcony or terrace overlooking the resort's gardens, pools or ocean. After you unpack and get ready to eat, options abound. Whether you're in the mood for sushi, steak or Puerto Rican specialties, you'll find them at the hotel's five restaurants and three bars. Wake up to a Caribbean buffet, grab snacks from the food trucks, then enjoy an elegant dinner at Nami, the Asian fusion restaurant.

### **LE RIO MAR COUNTRY CLUB – OCEAN COURSE**

Architects Tom and George Fazio took into account the unique features of the site when designing the spectacular Ocean Course. This 6,716-yard course is nestled between the El Yunque Mountains and the majestic Atlantic Ocean. The 16th hole is considered one of the best in the Caribbean.

### **LE RIO MAR COUNTRY CLUB – RIVER COURSE**

The River Course, designed by Greg Norman, one of the great names in golf, runs along the gentle Mameyes River. The natural terrain of the course inspired the placement of the holes, while preserving the existing foliage, creating a beautiful and lush course with views of the mountains and sea.

## COCO BEACH - PARCOURS CHAMPIONNAT

Both courses were designed by Tom Kite; named Championship and International, Coco Beach Golf Resort hosts the Puerto Rico Open, a PGA Tour event (Feb. 20-23, 2020).

## BAHIA BEACH

Robert Trent Jones Jr, one of the world's greatest golf architects, designed this spectacular course. Fifteen of the eighteen holes border a form of water, as the course takes a circuitous route around lakes before emptying onto the Atlantic coast for the final holes. Bahia Beach was designed with the resort golfer in mind, but will offer players of all skill levels a strategic and challenging golf experience.

### TPC DORADO BEACH – EAST COURSE

Mr. Jones lengthened the course by 700 yards to a formidable 7,200 yards, with most holes playing against a strong Caribbean trade wind. The greens were completely redesigned to match the original and planted features of Bermuda Champions, creating incredibly fast and flowing putts. The bunkers have been reshaped and filled with native beach sand.
